

Let's go through these questions, and then we can talk about the next steps.

1. *How big is your space?
Do have it yet?
How big is your ideal space?*
2. *Do you own the building?*
3. *Is there another space you are thinking about?*
4. *Will all your work be done in the studio, or will some be done on location?*
5. *Will there need to be a control room near the studio?*
6. *Are you able to send us mechanical, structural, and/or architectural plans of the building and/or room?*
7. *What is the existing condition of the ceiling; is it exposed all the way to the deck?*
8. *Are you currently happy with the acoustics?
What about outside noise coming into the room?*
9. *Tell us a little bit about the productions you will be doing in the studio. (i.e. sit down shows/ videos with guests, talking heads standing up, what are you shooting? cars, animals, clothes, etc.)*
10. *How many people in front of the camera(s) maximum?*
11. *Do you need a cyc wall?*
12. *How many people on your crew will be working in the studio?*
13. *How much of the show/videos would be live versus recorded? Live streaming?*
14. *Will edit rooms be required?*
15. *Would you like us to design the studio, procure and manage all the materials, build and install all or some of the elements, and/or project manage the entire process?*
16. *Have you determined a budget?*
